

1st Avenue: River Road to Grant Road

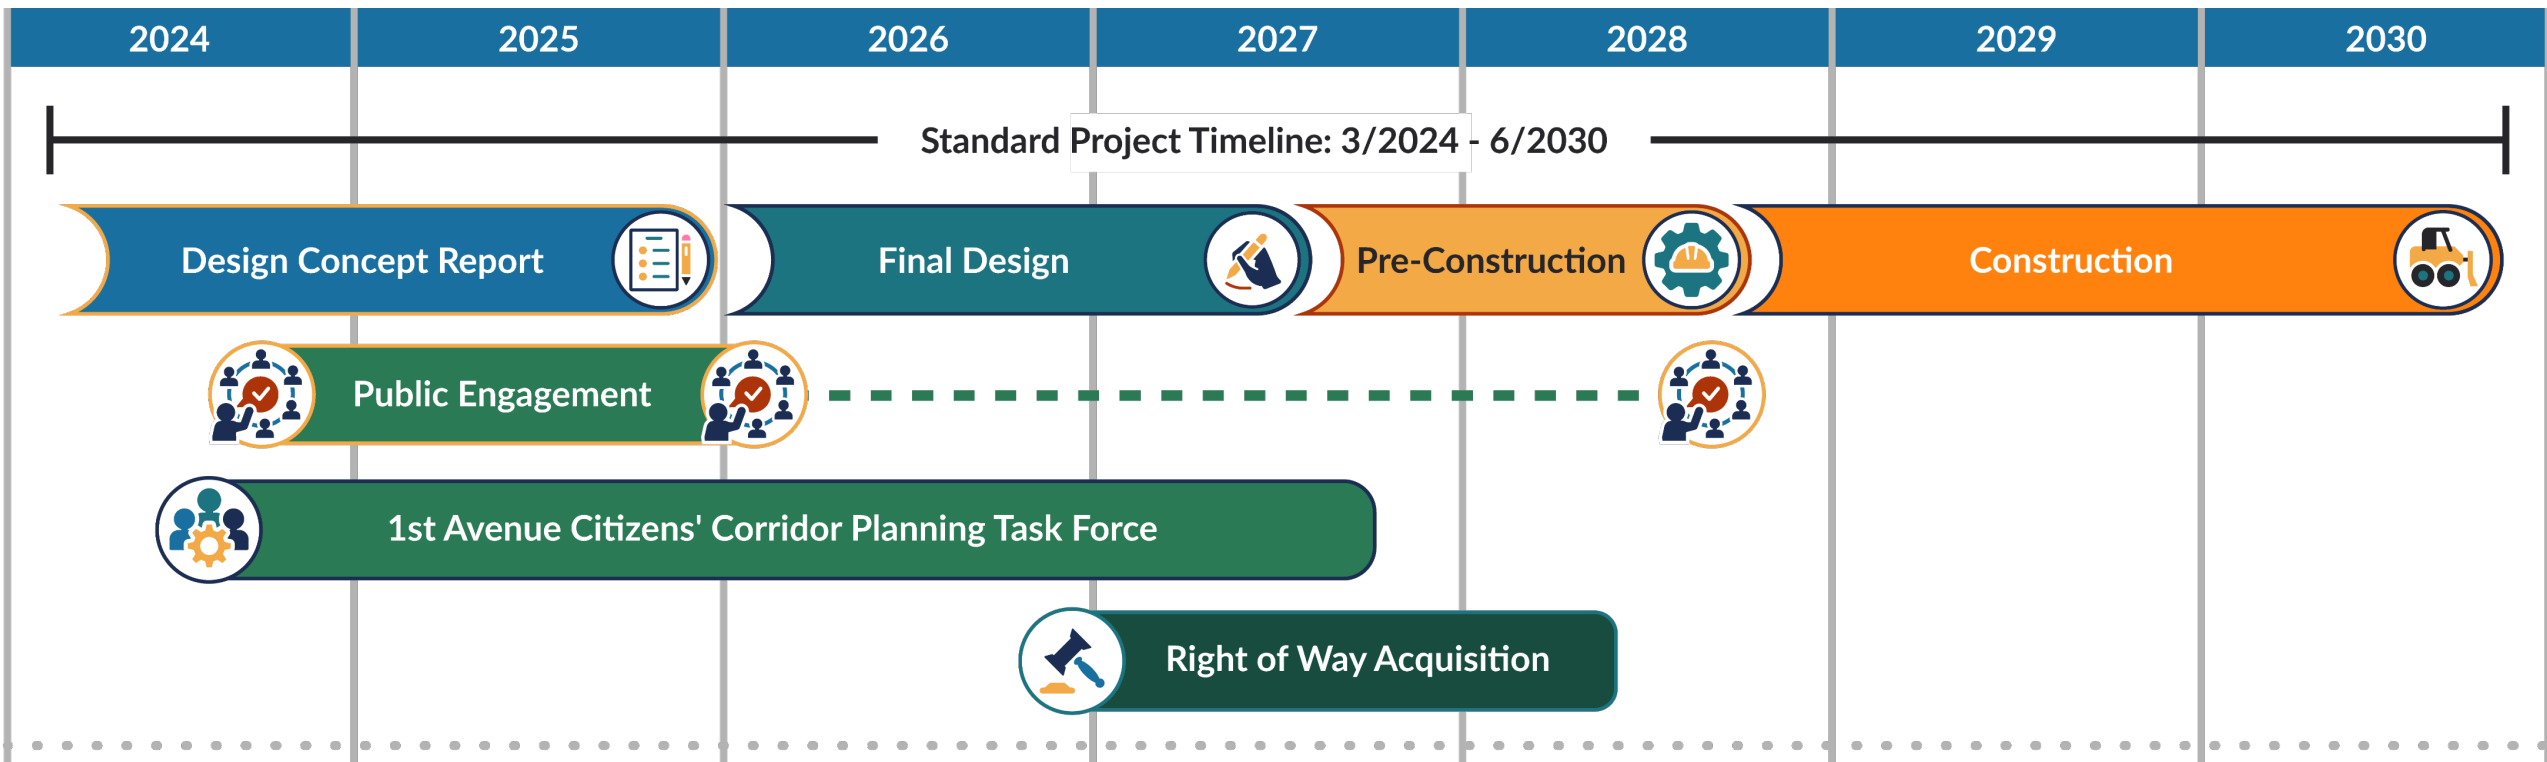

1st Avenue Citizens' Task Force Meeting
08/22/2024

1st Ave Corridor Map

Project Overview

Project Overview

Design Concept Report

- Major scope items:
 - Safety and accessibility
 - Roadway reconstruction
 - Drainage improvements
 - Bridge replacement

4-Lane Cross-Section

Project Overview

Design Concept Report

- What will the design team evaluate?
 - Existing Conditions
 - Cross-section and alignment alternatives
 - Constructability and construction phasing
 - Right-of-Way
 - Cost estimation
 - Traffic Design
 - Floodplain and Drainage
 - Utilities (Existing and New)
 - Landscape
 - Social, Economic, and Environmental

Outreach Activities & Materials

Activities

- Open House
- Pop Up Events
- Partner Events
- Community Events
- Neighborhood Association Meetings

Materials

- Survey
- Online Comment Map
- Posters
- Email Blasts
- Newsletters

How Can You Help?

- What recent engagement or communication tool really caught your eye or made you most excited?
- Are there specific groups or organizations you would like us to connect with in our outreach process?

1ST AVENUE DATA SUMMARY

AUGUST 2024

Why is this Data Important?

Get to know who we are planning/designing for

Identify challenges & opportunities for all modes

Understand how people travel on the corridor

Determine infrastructure gaps and needs

Assess safety trends and develop countermeasures

Evaluate complete streets alternatives to enhance mobility and safety

1

***COLLECT &
EVALUATE DATA***

2

***IDENTIFY CHALLENGES
& OPPORTUNITIES***

3

DEVELOP SOLUTIONS

Data Sources

COMMUNITY & INFRASTRUCTURE

- Census Bureau – American Community Survey (ACS)
- Tucson Equity Data Strategy (TEDS)
- Maps and Records

TRAVEL & SAFETY TRENDS

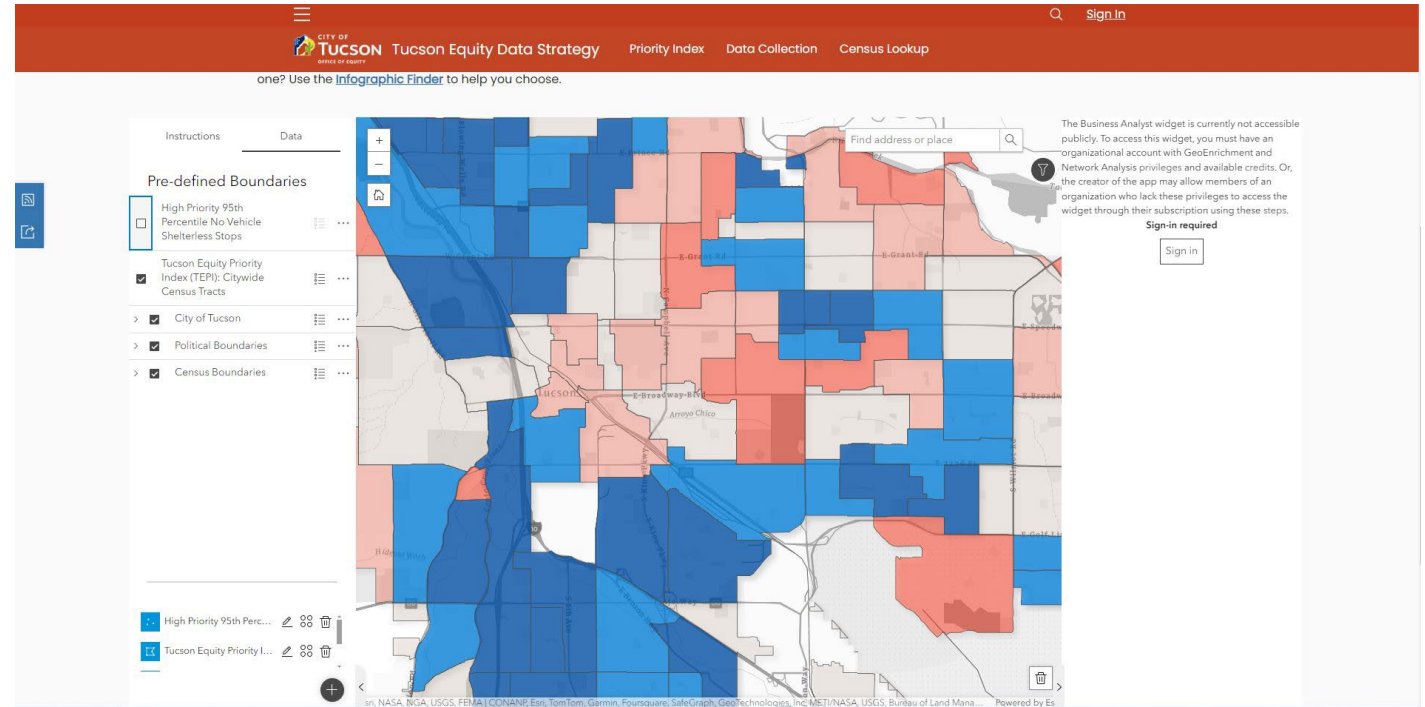

- ADOT and City of Tucson Police Department Crash data
- Video Analytics - near-miss data
- Travel Patterns (Replica Data)

CORRIDOR OPERATIONS

- Field traffic counts
- Traffic signal timing
- Travel Time (INRIX)
- Vehicle Classification

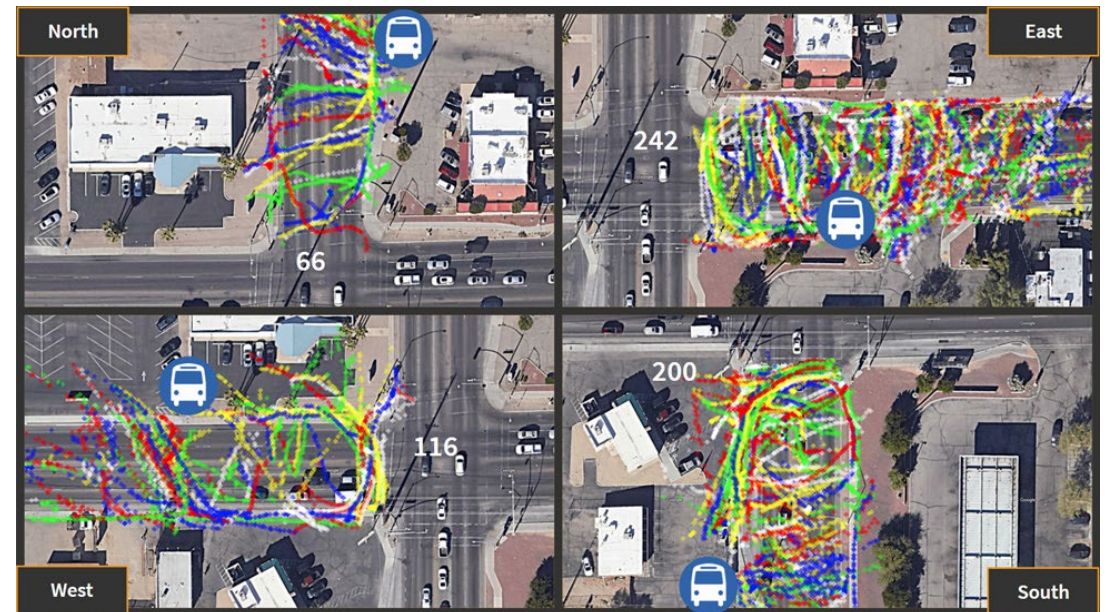

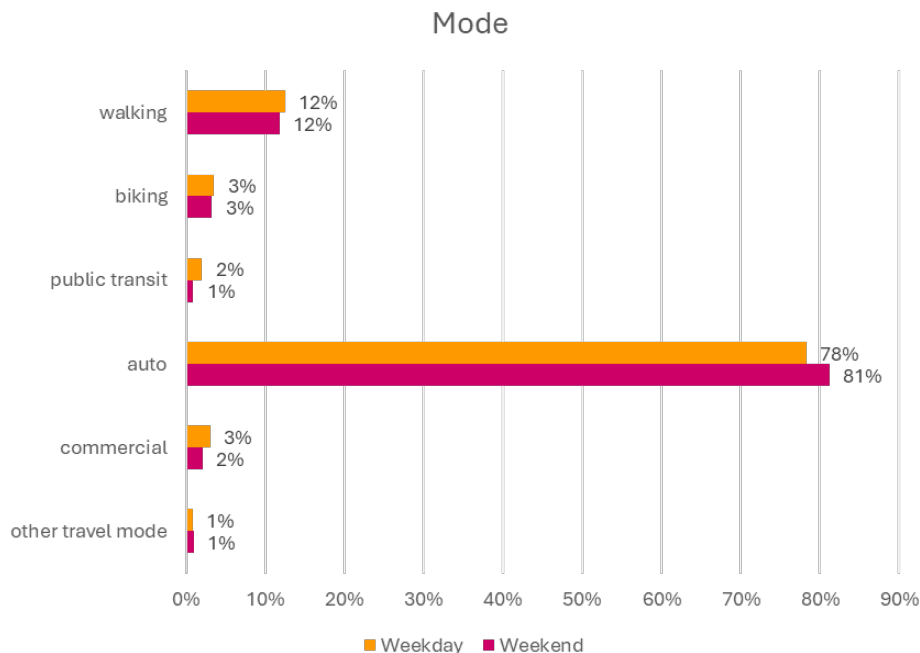

Community & Infrastructure

- Demographics
 - Census Bureau – American Community Survey (ACS)
 - Tucson Equity Data Strategy (TEDS)
- Land Use
 - Planning and Development Service Department
- Street Network
 - Maps and Records

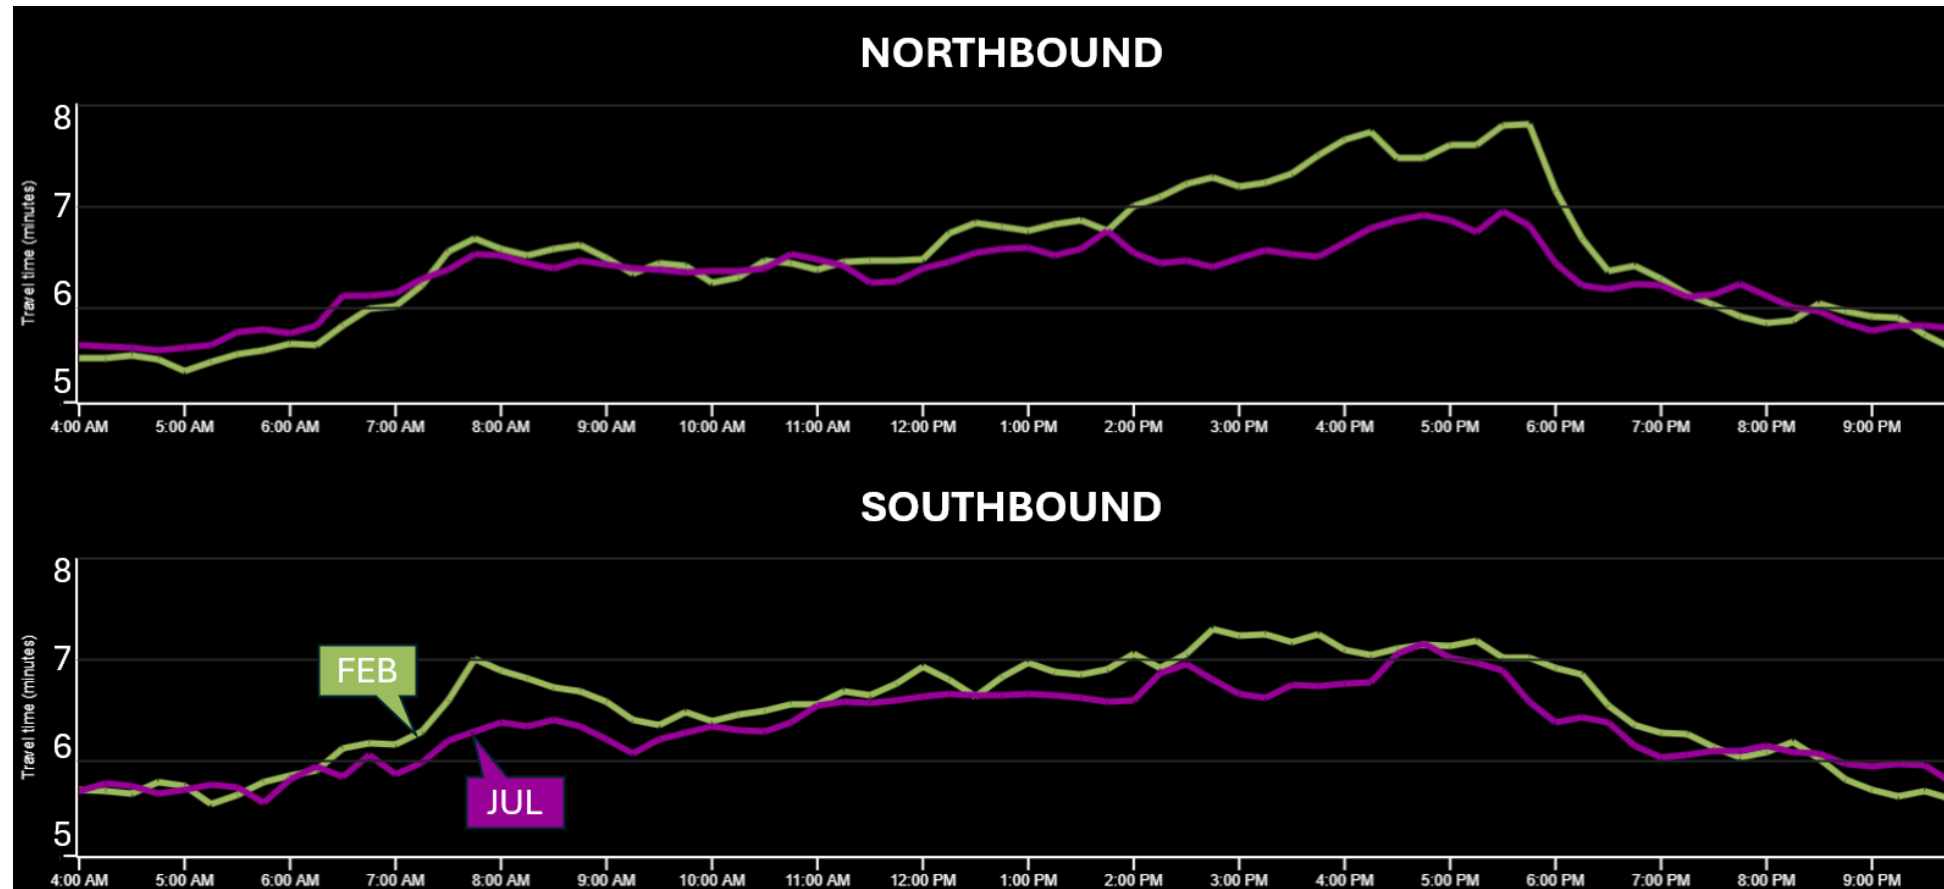

Travel & Safety Trends

- ADOT and City of Tucson Police Department Crash data
- Video Analytics - near-miss data
- Replica Data

Corridor Operations

- Traffic counts
- Signal timing
- Travel Time (INRIX)

Data Categories

EQUITY

1. DEMOGRAPHICS

Demographics

How does the study area compare to the rest of Tucson?

Source: TEDS, ESRI 2024

* White, Asian, Black, and "Other" population groups may include portions of the Hispanic population. Values do not sum to 100%.

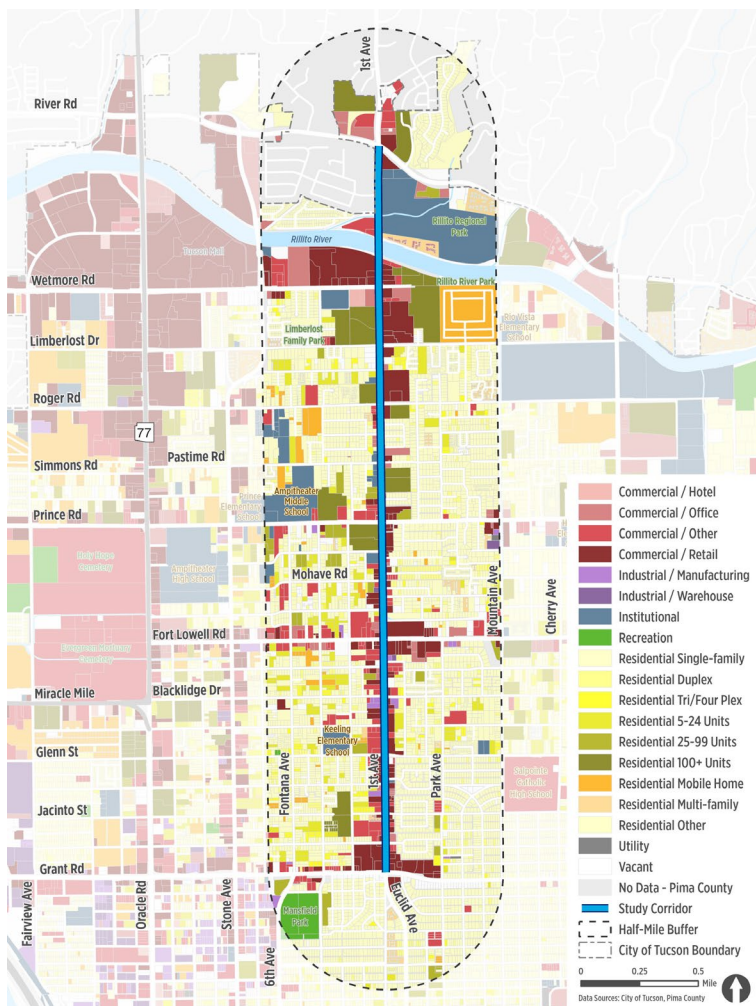

Note: Study area here defined as within 0.5 miles of study corridor

Compared to the City of Tucson, people in the study area are:		
	Study Area	City of Tucson
Younger (median age)	31.5	37.1
Less wealthy (median income)	\$36,602	\$55,206
More educated (residents with a Bachelor's degree or higher)	37.4%	31.7%
Higher percentage of zero-car households	13.6%	9.7%
More likely to bike, walk, or take public transportation to work	2.8% bike; 3.3% walk; 6.2% public transportation	1.8% bike; 2.8% walk; 2.4% public transportation
Similarly diverse	38% Hispanic, 53% White, 6% Asian, 7% Black, 35% Other	43% Hispanic, 53% White, 3% Asian, 6% Black, 38% Other
